

Get Kids Going!

Please forgive the interruption to our usual enews.

As some of you may know, on 5th November, a team from Bolt Burdon will be running the New York Marathon. The team is running the 26.2 miles to raise £15,000 – enough for our chosen charity, Get Kids Going!, to buy 5 sports wheelchairs for use by disabled children. To meet the team please visit www.boltburdon.co.uk/supportus

In order to raise this sum, we are, amongst other things, holding an online auction of three extraordinary lots: -

1. **Four Club Level tickets to the new Emirates stadium to watch Arsenal –v- Manchester United on Saturday 20th January 2007**

The Match Day Experience pans out as follows:

Arrive at Emirates Stadium between 12.30pm and 1pm

Lunch is served at your table in Oak Room Restaurant – 4 courses – just pay for your own drinks

Just before Kick Off move to our Club Level Seats at the North End of the Emirates Stadium

At half time return to your table for complimentary drinks

After the match, if you wish, return to your table for more drinks and refreshments

2. **Signed Arsenal team print for 2004/05 season**
3. **Signed Geoff Hurst print**

The auction is on a “sealed-bids” basis. If you want to place a bid, all you do is send an email to NYCmarathon@boltburdon.co.uk making it clear which lot, or lots, you are bidding for and your maximum bid. The highest bidder for each lot will be notified by email on Wednesday 1st November.

In the alternative, to make a simple and secure online donation, visit the team's online fundraising page at <http://www.justgiving.com/BBinNYC>.

Please dig deep in both counts. Thank you.
